VA San Diego Healthcare System (VASDHS) provides a wide range of inpatient and outpatient health services at the medical center in La Jolla and six community clinics located in Chula Vista, Escondido, Imperial Valley, Mission Valley, Oceanside, and Sorrento Valley.

We provide medical, surgical, mental health, geriatric, spinal cord injury and advanced rehabilitation services. VASDHS has 296 authorized hospital beds, including skilled nursing beds, and operates several regional referral programs including cardiovascular surgery and spinal cord injury care.

We are affiliated with the University of California, San Diego School of Medicine and provide training for 1,399 medical interns, residents and fellows, as well as 676 other teaching affiliations for nursing, pharmacy, dental and dietetics. VASDHS has one of the largest research programs in the VA nationally, with a budget of $42.2 million (FY2018), 200 principal investigators, and 611 projects.
